Our Focus is on People

- Which ones to hire or promote
- How to train and develop them to their fullest potential

Solutions & Consulting

Talent Selection Solutions range from individual assessment to large-scale web-enabled hiring processes that include standard and customized assessments.

People Development Solutions range from high-touch individual coaching to developmental workshops to succession planning and team development consultation -- all with an assessment foundation.

Best Practices Workshops and Certifications

We provide training to other consultants and to our human resource partners to facilitate the best use of our systems in organizations. Our programs have been approved for recertification credit hours through the Human Resource Certification Institute (HRCI), and we have been approved by the American Psychological Association to sponsor continuing education for psychologists. Please call for details at 1.800.283.6055.

Our industrial psychologists are licensed by the State of Texas. We subscribe to the professional practice codes of the American Psychological Association, the Society for Industrial Organizational Psychologists, the Texas State Board of Psychologists and the Federal Uniform Guidelines on Employee Selection Procedures.
